Subject: Approval

Sir,

Bombardier Aerospace is pleased to inform you that your company is now approved for:

BAPS 180-001 Alkaline Cleaning with limitation to Type 1 : Aluminum Alloys ONLY .

This is in addition to all previous Controlled Specification already given to your facility.

This approval is issued on the condition that your company continues to comply with QD 4.6-40: Bombardier Aerospace Requirements for Suppliers and maintain acceptable product delivery performance .Copy of the document can be found on the Bombardier Internet site at <http://www.bombardier.com/>,→“Aerospace”,→“Suppliers”,→“Current Suppliers”,→“Quality Assurance”,→“Documentation “.

Bombardier Aerospace Quality may elect to audit your facility at any time during or prior to any contract in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment, or management.

Your approval status will be periodically reviewed and/or revised based on supplier performance.

It is Bombardier Aerospace's policy to purchase only from approved suppliers who consistently meet our standards of quality and reliability. We look forward to a lasting relationship driven by a desire for continuous quality improvement.

Sincerely yours,

Paul Comeau
