

2017

National Business Aviation Association

Certificate of Membership

Tube-Fab Ltd.

Member Since 2016

NBAA's goal is to create an environment that fosters business aviation in the United States and around the world.

We pursue that goal by constantly striving to be a world-class organization that enhances safety, security and professionalism; provides operational assistance to our members; shapes public policy; projects a positive image of our industry; and hosts leading aviation shows and conferences.

Dear Eric,

On behalf of NBAA, I am pleased to present you with your official 2017 NBAA Membership Certificate. Your membership is active and paid through 01/31/2018.

We greatly appreciate your membership with us and hope you will display this certificate in your office with pride. If you wish to obtain extra copies of the Membership Certificate, you may either download a PDF version of the certificate or order extra copies on the NBAA.org website. NBAA also offers its members the option of upgrading their Membership Certificate to a Membership Plaque. To learn more about this offering, please visit www.nbaa.org/certificate.

Additionally, each individual member of NBAA has the ability to download and print from their home or office a customized, full-color copy of their membership card. To learn more about the membership card offering, please visit www.nbaa.org/membershipcard.

As NBAA continues to grow past 11,000 members, we will expand our membership program offerings in hopes of providing greater service and value to you. If you have a suggestion that would benefit the growing NBAA membership, or if you would like to provide feedback of any kind, please feel free to contact me at chris@nbaa.org.

Thank you again for your continued support. We look forward to serving your company in the years to come and wish you great success in 2017!

Sincerely,

Chris Strong
Senior Vice President, Membership & Conventions
